PRAYER LETTER – March 2023

Dear Praying Friends,

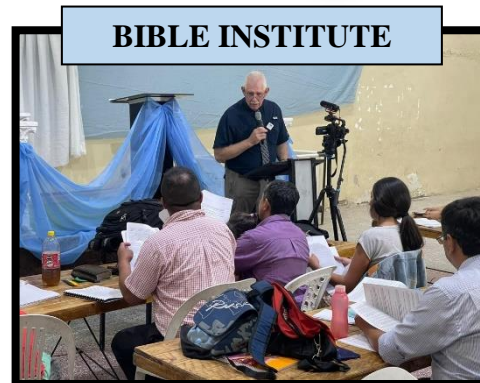

Last week as I was returning from San Miguel de Tucuman, Argentina, I sat on the plane and thought about all the special connections that the Lord enabled me to make with the missionaries and, also with the people to whom they minister. It is nothing short of miraculous how the Lord knits our hearts together.

LIKE FATHER LIKE SON

I went down to visit our Missionary Joshua Owens and his wife Abigail, and while I was there, I found out how the Lord had molded this young man to be who he is today. He was raised on the mission field, under the ministry of his Father, Larry Owens. Over the years Pastor Owens has planted several churches in Argentina and has given his son a tremendous example of how to be a faithful servant of the Lord. Joshua studied at the Bible Institute of the Bethel Baptist Church in Tucumán, and has now planted the Zion Hill Baptist Church in the city of Termos, Argentina. They have a good group of new converts who are eager to learn. I'm looking forward to seeing how the Lord blesses Joshua and Abigail in this new ministry.

BIBLE INSTITUTE

OPPORTUNITIES TO SERVE

I praise the Lord for the opportunity to teach Eschatology at the same Bible Institute that Joshua graduated from. It was a blessing to interact with so many people who have dedicated their lives to reach the world with the Gospel.

MISSION CONFERENCE – BETHEL BAPTIST CHURCH

I also had the privilege of preaching a mission conference at the Bethel Baptist Church. Please join us in praying for them as they endeavor to send missionaries beyond the borders of Argentina.

On April the 5th I will be heading out to preach a conference at the Augusto Montenegro Baptist Church in Manaus, Brazil.

Thank you for all your prayers and financial support!
