March 2023

Dear Pastor, Churches, and Friends:

It is hard to believe that it is already spring! We stay so busy that time seems to go by so quickly! It reminds us that we must be busy about the Father's business as the coming of our Lord is at hand! May we keep this verse in Proverbs 29:18 before us "*Where there is no vision, the people perish.*"

Travels

Since our last letter, we have been busy in meetings and traveling in South Carolina, North Carolina, and Georgia. We are thankful for open doors and safety for all of our travels. This coming week we will be in New Mexico in a church plant of one of our missionary families, Caleb and Joy Worley. We are looking forward to seeing what the Lord is doing there in New Mexico through this precious couple. It is always exciting to see these new works having missions conferences and supporting missionaries.

Macedonia News

March 23, Macedonia will be having a Regional Labourers Together Conference at Freedom Baptist Church in Rural Hall, North Carolina. We ask you to pray for this meeting and attend if you are in the area. The primary focus of the meeting is to help pastors not familiar with Macedonia get acquainted with us and share the burden of missions around the world. We pray that God will bless and use Dr. Scott Caudill and Dr. Roger Baker as they lead this meeting.

The Lord has blessed and given us several new missionary families. We are constantly praying that the Lord of the Harvest will call and send Labourers. The harvest truly is plenteous, and the laborers are few! We need more men to surrender and go! There is no better way than to spend a life serving the Lord in the field of God's calling! We are thankful and have no regrets for our years of service for Him.

Family News

We ask you to pray for our grandson, Noah, and his fiancée Rebekah. They will be getting married on April 1. Noah surrendered to preach sometime back. We are excited to see what God has in store for them as they set out on their new life together serving Him.

It is hard to express our gratitude and thankfulness for your faithful support and prayers for us. We have had times when we knew at that moment people were praying for us. You are such a vital part of what we do. We pray that the Lord will continue to bless you.

In His Service,

Dean and Karen Hamby
