USA EAST CHURCH PLANTING

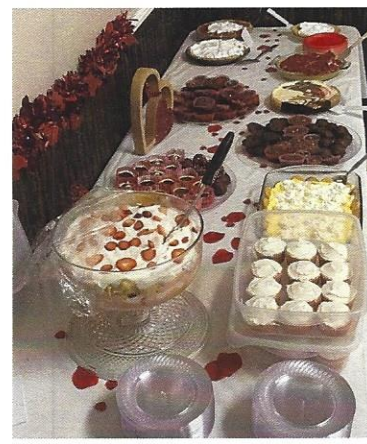

January-February 2023

Dear Co Laborers in Christ,

Being a Visionary: Our Lord was always looking to the next town that needed the Gospel. We too are seeing open doors for one-on-one witnessing. May we not become closed to the outreach of our local Baptist church visitation program. See what could be...through the eyes of faith. Thank you once again for working with us and through us as your missionary family to teach and preach the light of the Gospel. Matt. 28:18-20.

Being a Baptist Church: Ministry here at Vision Baptist Crestview is teaching us that we are in perilous times. Through weekly door knocking in our community our souls are burdened as we hear a verbal denial of the gospel as the Bible teaches. Sometimes those we talk with have a distorted definition of who God truly is according to the Scriptures. We believe that a thorough study and understanding of the Bible leads a child of God to become a Baptist. Baptist is not a meaningless label, representing fundamental Bible truths held by believers since the book of Acts. A healthy church family also enjoys fellowship with one another. Vision joined with Pastor Muse's sending church for a special Valentine Dinner with a Bible message for couples, good food and plenty of laughs at game time.

Being a Preaching Church: What a blessing to have three of the same preachers return this year for our Annual Bible Conference of 2023. Passionate Bible preaching is God's method to expose sin, save sinners, and purify the redeemed. In February, we were privileged to preach at two of our supporting churches in Lawrenceville. We also preached and presented our ministry to the Old Mt. Zion Baptist church family in Ponce De Leon, Florida.

Being a Missionary: Please pray for our church to have favor with the county and all the paper work that is in process. Pastor and Sister Muse had the misfortune of being sick a few days unable to be at church; therefore, it was a blessing to be a fellow helper to teach and preach during their recovery. We are thankful that the church is actively supporting five missionary families, looking to add more as we practice world missions. A selfish church is a dying church. Cathy had her yearly cancer check up, and thank God she is still doing well. We have both lost some weight and feeling better. Thank you for your prayers for our ministry, our health, and our family.

Looking Unto Jesus,
