Missionaries to ARGENTINA

January-February 2023

Dear Pastor & Friends,

We are thankful that we can serve our Lord in this new year. We know that His grace and strength is sufficient for each and every day. Thank you for partnering with us in this work. We really appreciate your prayers and support towards our family and ministry.

David was able to travel to Argentina for a month in mid January and part of February to reconnect with our church family. Frank, a young man that David knew from Bible College was also able to come down and be a part of this trip. David had the opportunity to preach in all services for three weeks, was involved with the discipling of the men and out visiting sharing the Gospel in the community. We are very encouraged by the young man Fabrizio who is leading the music at church and has expressed a desire to further his studies in a Bible Institute. Alonso, a man from Venezuela, is faithful to the Lord and coming to church with his wife, Griseida, and bringing their grandkids to the services. We ask prayers for their daughters as they are away from the Lord. It is tough to see some that are away, but we do ask prayers for Jeremias, Dali, Diego, Sabrina, and Debora. We are praying for growth of the church and new believers to be added.

Hannah and our little baby girl on the way are doing well. It was hard for us to be apart from each other at such an important time, but the Lord helped us. The baby is arriving mid March, Lord willing. Please pray for health for Hannah, baby and for a safe delivery.

Thank you so much for your prayers and support through the years. Our prayer is to remain faithful in 2023 to the Lord and to do the work He has called us to do. God bless you!

In Christ,

David, Hannah, Ingrid & Zoey Owens
