Dear Friends and Co-Laborers:

“Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.” (Philippians 4:6,7).

My wife and I continue having health issues. Oleen struggles with Type 2 diabetes, and I struggle with weakness and dizziness. We would certainly appreciate your prayers concerning these problems. Of course our ages help contribute to these problems. I am 83 years old, and Oleen is 74. Yet, we simply cannot find a stopping place in serving our Saviour. I have a meeting scheduled in March at the New Life Baptist Church, and hopefully I will be well enough to preach in both services. My main ministry is witnessing and passing out tracts, and daily I pray over prayer lists for many who need our prayers. Visit www.intfrs.com or www.intfrep.com to place your prayer requests. We will then place your requests on our long lists. The truth is: we need prayers and so do others.

Please continue praying for us as we endeavor to serve our Lord Jesus Christ, that God will use us in a mighty way, in bringing souls to Christ.

Dedicated to serving our Blessed Redeemer, until He returns,

The Tinsleys
