MINISTRY

It has been a blessing to be back in the camper while on the road these past two months. They have been busy months with meetings in Tennessee, Oklahoma, Texas, Virginia, and Georgia. We have had several new churches take us on for support and are thankful to see the new year starting out with our support level increasing steadily. Please help us pray that God will burden other churches we have been in to partner with us so we can quickly get to Ponderay.

We have been in a few churches already this year where the Pastor has expressed his belief and his desire that some of the young families and teenagers may go into missions. At this early point of the year this seems to be a developing theme for 2023. The Bible tells us in **Luke 10:2**, "Therefore said he unto them, The harvest truly *is* great, but the labourers *are* few: **pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.**" I have seen this verse in action over the last two years in our family. When we were in north Idaho last year and God showed us that He wanted us to go to Ponderay, I began to hear Pastors and church members tell me that they had been praying *specifically* for that area that God would send a preacher there to start a church. Would you please join us in praying that God will do this very thing for other areas of Idaho and the Pacific Northwest. There are many towns that come to my mind on a regular basis that desperately need a Fundamental Baptist Church.
