Dear Partners in Ministry,

March-April 2023

Because of your prayers:

As the Lord allows, on April 9th, we will be holding another baptismal service. We have seen 10 people profess Jesus Christ as their Savior during meetings in the past month.

We need your help right away. Please allow me to explain.

While we were out on soul winning visitation, we met a man who is a property developer and real estate manager. He said, **"I want to be a useful answer to prayer."** That was his way of saying that he wanted to donate the use of a very valuable parcel of land to the Island Baptist Church. This developer has agreed to provide for the Baptist Church an irrevocable long term lease with almost no restrictions and with no financial gain for himself. The terms of the contract amount to a donation of a \$500,000 property to Island Baptist Church.

How you can help:

The newly saved at our church are giving offerings toward construction of a permanent Worship structure. There is an urgency to complete the building before the home in which we currently meet is sold; and because we rent, we would once again be without a place to meet. We need only \$16,825 to complete the building and receive a certificate of occupancy. We will not be able to worship there until construction is complete, and we are asking our partners in ministry to help with this need. When the full amount is received, we can meet there as early as June 4th. Will you help us with this need? Feel free to contact us for further details: daveandangieharper@juno.com or 470-636-0932.

*Thank you for your prayers and support,
David and Angie Harper*
