

APRIL 2023 THE HILL FAMILY

Church Planting Missionaries to North Idaho

Growing & Building

This past couple of months has been filled with “Growing & Building”. In March we were able to restart our Building Projects due to all the generous giving from all of our supporting Churches. In March & April we have been blessed with numerous first time visitors which are continuing to visit somewhat regularly. After a few big Sundays in February & March we purchased 25 more chairs and put some of them out. After filling those we had to remove our current infant nursery, because it was located in the auditorium space, to make room for even more chairs. Praise the Lord on Palm Sunday we had our largest attendance of 60 people with 17 1st time visitors we met through outreach. On Easter we had another great day with several new visitors joining us. It has been a great time of growing in attendance but a sweeter time growing in discipleship. We had a young man trust Christ in March and are now getting started in one on one discipleship. We are praising the Lord for all HE is doing.

This Month

We had an amazing month with several 1st time visitors and record attendance

We had our Easter Outreach with 16 kids & 2 new families

Coming Up

April 29th we will have our Men & Boys Shootout which is a great outreach opportunity for us.

May 20th we will have our Ladies Tea in Post Falls.
