

Reaching every *Nation*
One *Ship* at a time.

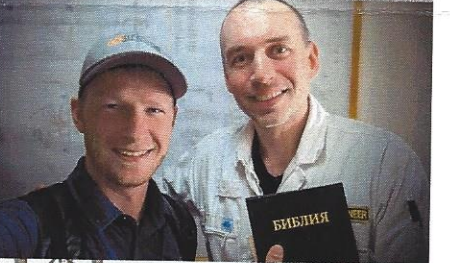

SABINA Ps 127:3 *Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.* Our little Sabina is growing so quickly. She has recently found her smile and her voice, both of which add an extra cubit to her stature of overall cuteness, in spite of the fact that she still looks like her father. Haylee has recovered well from the delivery and is as busy and beautiful as ever.

CAR UPDATE As you know from our last prayer letter, our personal van was stolen right before my trip to Bangladesh. The Police Department found our van out of gas on the side of the road. (See, sometimes it pays to drive till the gas gauge is on E!) The passenger side had some damage, the front tire was blown, and the inside was completely desecrated! The insurance company paid to have the inside detailed and some of the body work done. It has certainly been a good van and served us well on our 200k mile deputation, but it is time to retire. We hope to get what we can for it and save up for a new family vehicle.

DOUBLE DIPPING One of the many privileges of this mission field is that it is in America! We literally get to reach the world right here at our doorstep. This month, I took Brother Charles from church with me to take the Captain and Chief Engineer of an Indian ship to do some shopping. Tried to witness in the van, but they were not very open. While waiting for them at the mall (this usually takes hours!) we took the usual opportunity to pass out tracts and try to witness. Charles gave an elderly man a tract and began to talk to him about the Lord. He ended up having a great testimony of salvation, but was just lonely and discouraged. We did our best to encourage him in the Lord and then began to pray with him. As we prayed, I heard, "Hey!!!! Are you guys prayin'?" I looked up and saw a gang of teen boys with hoodies and dreads heading straight toward us! "Can you pray for US?" One of them asked. "Absolutely!" I replied. "But first, let me ask you a question, are you 100% sure you are going to heaven?" One of them (Tyrone) seemed very interested so we focused in on him. When I told him that Christ died for our sins, was buried, and ROSE AGAIN from the dead, Tyrone jumped back, and said, "No way man! You mean Jesus is not dead? I've never heard this before!" It was such an honor to explain the Gospel of Christ to such a hungry soul. Please pray for **Tyrone!** Finally, we picked up our Indian seafarers and they asked us to take them to an Indian restaurant so they could treat us to traditional Indian food. Over that meal we were able to deeply explain the Gospel and they were very attentive and asked many questions. Praise the Lord! Thank you for your prayer support!
