### Special Holiday Surprises: *God is so good...*

Sylvia and I are grateful for the Christmas love offerings so many of you sent to us. Thank you!

We are also thankful to Faith Baptist Church in Jefferson, Georgia who supplied the finances to replace all four tires on one of our cars for Christmas.

Then to our dismay, our children pooled their money to replace the tires on our other car. As much driving as we do it's really comforting to know that there is good tread between us and the road.

Interestingly enough my wife's car picked up a nail somewhere and the tire had to be replaced. It had punctured the sidewall of the tire. Praise the Lord for warranties.

### The Printing Ministry.

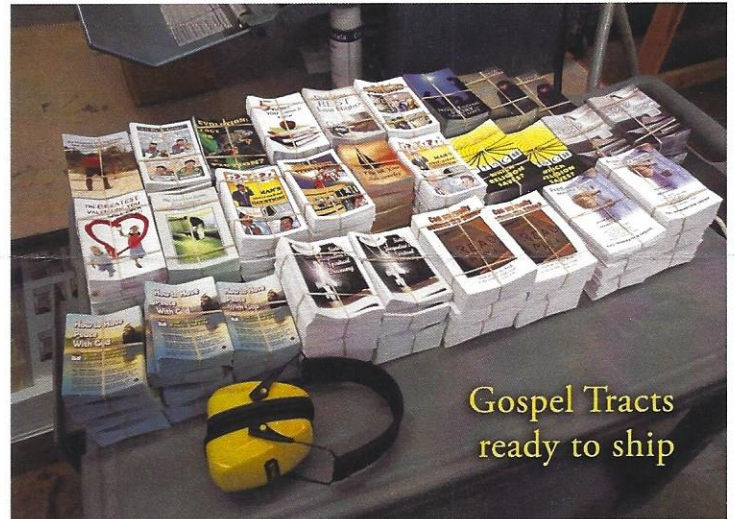

#### Did You Know this about the MWBM Print Shop?

- > In May of 1978 Brother David Wade came with Macedonia full time to begin a ministry of publishing gospel tracts to reach the world for Christ. *This is our 45th year of ministry.*
- > Macedonia relocated to Hoschton Georgia in 2001 and built a 5,000 square foot printing facility. In 2003 the Lord through His people, made it possible for us to purchase a four-color press. This press has enabled us to publish colorful gospel tracts. *Most of our tracts are now full color.*
- > During all these years we have relied on volunteer helpers to fold the many tract orders being shipped out to churches and missionaries. *More helpers are needed! Will you help us at Macedonia?*

**SPOTLIGHT:** We provide mailing services for 87 missionary families. That's 87 mailing lists to maintain. Each list is update and printed out four or more times a year. Pictures and text sent to us from missionaries are combined with their own letterhead. Then the prayer letters are printed, folded and stuffed into mailing envelopes. Once ready, the mailings are dropped at the US Postal Service.

Thank you Jenna Gherardini for all your hard work.

Once again, thank you for your faithfulness in prayer and support. You are having a part in the fruits of this printing ministry. God bless!
