March-April 2023

Dear Prayer Partners and Supporters,

I hope this prayer letter finds you doing well!

As most of you know, I was involved in a serious car accident in Atlanta on March 18th while on my way to Florida for a meeting. I was taken to the hospital in Atlanta, where the doctors performed x-rays and determined I fractured my No. 7 vertebrae. I then had to have surgery, and praise the Lord, the surgery went well! I was instructed to be on recovery for 5-6 weeks; so I spent that time in NC with family. I had an appointment with the doctor on May 3rd and was told everything is healing up great! Praise God, He is faithful! I am back on the road again, and the Lord has blessed! I'll now be traveling to IN, AL, GA, VA, NC, and TN.

It was a special blessing to me to be a part of the Save New England Conference held by Granite State Baptist Church. It was both a time of rejoicing and a time of fellowship with pastors from the New England area.

Thanks to each and every one of you for the prayers, phone calls, text messages, and cards you sent to encourage me during this time. I also want to thank every church that sent monetary gifts while I was in recovery. It means so much to me, and I'm so blessed to be your missionary to New Hampshire! God is so good to me, and God's people are the best people!

### Prayer Requests:

1. For souls to be saved in New England
2. For more laborers in New England
3. For God to send in the remaining needed support

Yours in prayer,  
Noah Gudger
