Dear Co-Labourers,

Greetings. Two months have passed, and God is still working around the world. All we need is more labourers on the field. The labourers are few. But God is still using Romans 10:13, "For whosoever shall call upon the name of the Lord shall be saved." Our job is to keep working in God's vineyard.

We have been able to start visiting some of our supporting churches. We have been in churches in North Carolina, South Carolina and Georgia. By the time you get this letter, we will be in Florida. After our trip to Florida, we will be back in North Carolina and South Carolina for meetings. Then we will start working our way out west. We have a meeting scheduled in Indiana on our way to Montana.

Last summer, we had our Orientation school in Wyoming. This year we are having a Family Camp in Montana with about 10 families attending. This will be a time for physical and spiritual refreshing. Then we need to make it to Oregon, Idaho, and Washington to visit our church planters in those states. From there we will head east and visit with other church planters.

As for our health, Sister Hutchens is doing much better since she got the pacemaker. She has very little AFIB but some premature beats. Her cardiologist has released her for 6 months. The doctors are telling me now that some of my back problem is coming from my hips. I had injections in my hips and that has given me some relief. My spinal stimulator is also helping. I just have to remember to charge my battery. If the battery gets low, my pain does increase.

Just keep us in your prayers. Our hearts' desire is to keep on serving the Lord for as long as we can. Just want to thank you for your prayers and financial support. May God bless you all.

Because He Cares,

Rev. Wesley Hutchens
