One *Ship* at a time.

EGYPT **Isaiah 19:20** "And it shall be a sign and for a witness unto the Lord of hosts in the land of Egypt: for they shall cry unto the Lord because of oppressors, and he shall send them a saviour, and a great one, and he shall deliver them. **21** And the Lord shall be known to Egypt, and the Egyptians shall know the Lord..." What a promise! This month, I spent several days with an Egyptian crew doing some shopping for them since they were denied shore passes. I was caught off guard when a man entered the ship's office who looked familiar... it was **Assadat** from last year! He said he had been reading the Arabic Scripture I gave him. Also, God gave me special liberty with a young Egyptian officer named **Amin**. We had several very serious conversations about the Lord, and he listened very intently. The night they were scheduled to sail, I was able to bring a dear visiting friend and mentor aboard the ship with me. This brother is learning Arabic as he and his wife are about to deploy to the harvest field of Jordan. We got to preach the Gospel to the Captain of the ship as well as to many of the officers. We were given the liberty to distribute Arabic Bibles and tracts to the crew!

DIVINE APPOINTMENT Fired up after our late night visit (during Ramadan) with the Egyptians, we decided to visit a new ship that had just berthed to the pier. Upon reaching the top of the gangway, we found the Filipino watchmen busy with maintenance. At that moment, a Middle Eastern officer just **HAPPENED** to walk out on deck... and he just **HAPPENED** to be from... you guessed it... **JORDAN!!!** The **ONE** time I had an "ambassador" to Jordan with me, God gave us my **VERY FIRST** seafarer from Jordan! That is nothing short of "*handfuls of purpose*" from the Lord! Please pray for **Muhammad**.

SEAMAN at CHURCH After my initial visit to a ship, a young Filipino found my contact on a gospel tract and reached out to me. He is a Bible believing, hymn singing Baptist! He faithfully conducts Bible studies and prayer meetings with the crew even though most of them are Catholic or Russian Orthodox. It became very obvious that he not only held a spotless testimony onboard, but he was also very hungry for fellowship. So, late Wednesday afternoon, I picked him up from the pier and he came with us to church! We had a great time of fellowship and I am certain that he was more of a blessing to me than I was to him. Please pray for **Renzo**! I also got to witness to his Ukrainian captain and when I gave him a Ukrainian Bible and prayed with him, he began to weep! He is in a very difficult situation. Please pray for **Capt Vladislav**.
