

The Worley's

Church Planting
Missionaries to New Mexico

Dear Praying Christians,
God has been so Good. Psalms 150:6, "Let everything that hath breath praise the LORD. Praise ye the LORD." God answered prayer in Caleb's surgery situation when the insurance approved the surgery, and it was a success. Shortly after Caleb's surgery, he had to have his wisdom teeth taken out and everything went well. Caleb is doing well from both surgeries.

In March, we had a wonderful Mission Conference; it was a time of spiritual growth and refreshment for the church. Our main speaker was Dean Hamby and he challenged our people in the area of missions and giving. For some of our people, this was their first mission conference and now they want to be a part of Faith Promise giving in our church. We also had Ryan and Abigail Davis that are church planters to Utah. We are looking forward to supporting them in the near future as they reach the Mormon people for Christ.

Also, in the month of March, we had special outreach days during the Mission Conference. We knocked on a door and met Tracie Stevenson who had just lost her husband at the first of March. She asked Caleb to preach her husband's funeral the Saturday after our Mission Conference. Caleb got to share the Gospel with many people on that Saturday. Tracie has come to church since the funeral and we are praying that she keeps coming and that we will be able to reach her family with the Gospel.

We have had many things going on during the last couple of months. The Saturday of Easter weekend we had a Kids' Fun Day at our house. Eleven kids came to our house for the Kids' Fun Day. We had games and food but most importantly we were able to share with all the kids the true meaning of Easter that Jesus died and rose again the third day so that all people can have salvation, eternal life, and a home in Heaven one day.

Our Easter Sunday was great when we had five first time visitors. We saw a big answer to prayer for a man in our church named Dee Jones. He has been coming to the church for several months now and during these months, he had been praying for his wife to come to church. On Easter Sunday, his prayers were answered when his wife and his mother came to the church for the first time- Praise the Lord!

Right after Easter Sunday, Joy took some of our ladies to Branson, MO, for a ladies' spiritual retreat. Our ladies were encouraged and refreshed on the trip in their walk with the Lord.

We are looking forward to the month of May and the summer months ahead. During the first of May, we will be doing a baptism service where Dee Jones and some of the kids that got saved in VBS last summer will follow in believers' baptism. Pray for us this summer that God will continue to open doors to reach lost family members and people in our community. And that each one of our people will grow more in their walk with the Lord and their boldness to share the Gospel of Jesus Christ with others around them.

May the Word of God become a fire in our bones like Jeremiah 20:9, "...But his word was in mine heart as a burning fire shut up in my bones...." Christians, may revival start in our hearts that we may change the world once again for Christ!
