Tracts + Bible Study Materials + Church Planting Materials

**April – June, 2023**

Dear Pastor and Friends,

Since 1978, we have assisted Independent Baptist churches to reach millions for Christ through the printed page and working with missionaries to establish independent New Testament Baptist churches across America and around the world. That "printed page" has always been true to the King James Bible. It has been our standard to be a vanguard for printing quality King James gospel tracts. More and more Bible "Ministries" have changed from the KJV to some other translation which is why this ministry is so important.

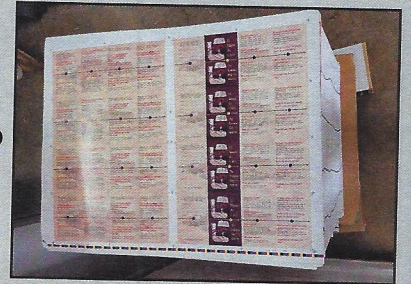

Florence and I began serving with Macedonia on the 31<sup>st</sup> of May in 1978 and on the 31<sup>st</sup> it will be our 45<sup>th</sup> year. What a blessing it is to be able to continue getting the gospel out and maintaining a high quality in publishing.

We are working to print 250,000 tracts for Mexico and Central America. Pastor Noe Mendoza called and requested our help with this need. We have printed and shipped many thousands of tracts to his ministry in this area for many years through Bro. Carl Braswell. I know that he would have wanted to see this continue on. Pastor Noe has a network of pastors who come and pick up these tracts and distribute them through out Mexico and Central America. Please pray with us for the financial cost of this project. There is not only the cost of printing, i.e. paper, ink etc. but the shipping cost as well. All this is on top of the thousands that we send out to churches across America each week.

The two presses pictured here are the two 2 color presses that we use to imprint tracts for churches and missionaries. They work so well that I'm able to run both at the same time. This speeds up the imprint work greatly.

I thank God every day that He has enabled me to keep the presses running because every tract has the potential of bringing one more lost soul to Christ. I am still committed to reaching the lost for Christ. I know Satan wants to defeat this ministry but the battle is the Lord's. **Every dollar of your support and every word of prayer given on our behalf have helped to make this happen.** Now more than ever, God's people need to be more vigilant in giving out tracts and helping to share the gospel with those around us.

Thank you again for your prayers and support.

In Christ's Service,

*David & Florence Wade*
