Dear Praying Friends and Supporters,

God is so gracious to us not just for His mercies being new every morning, but His ability to make us and the ministry new as well. What a great joy it is to be able to “**serve the LORD with gladness**”, Psalm 100:2. That simple truth is what brought curse and destruction to Israel for not serving with joyfulness and gladness of heart in Deuteronomy 28:47. We are privileged to meet new people on a regular basis, preach God’s wonderful book divine, and sing to encourage God’s chosen people. God’s been good and we thank you for being a great part of it.

We were able to be in a preacher’s fellowship in SC, a mission conference in Macon, GA, and four different churches on bookend Sundays in GA, TN, and VA (**All took us on for support, AMEN!**) The Lord allowed our family to participate in our home church’s family camp back in VA where we booked meetings from the contacts made at the camp and the preacher’s fellowship. Pray for the ability to keep stride with God’s plan.

Several churches and individuals sent special love offerings that we were able to put toward the debt of our pull behind trailer. Praise the Lord, it is paid in full. The Lord has allowed us **to raise 20% of our needed support** with more promised as we progress further. We are eternally grateful that some churches have taken us on for support just by reading our letters and seeing God supply the need. Thank you to all of you for your faithfulness and obedience to God for the cause of Christ.

Thank you for your prayers for JR. He has been transferred and little did we know that was the last time we would see him. This just goes to remind us that now is the time to share the gospel, not later. Please continue to keep the prayers going up, the power coming down, the gospel going out, and the people coming in! **Be of good courage**, because God desires you as well as all believers, to serve Him with joy and gladness.

Cultivating For Colorado,

Teddy Angel
