Dear Prayer Partners and Supporters,

I would like to begin this letter by expressing how very thankful I am for God's goodness these last two months! Praise the Lord for His protection. I truly appreciate the prayers of God's people, and thank you for reading these prayer letters & keeping in touch. It really means a lot to go to a church and have someone say, "I've been praying for you."

The Lord has blessed me greatly these past few months. As I look back at pictures from my car accident, all I can think about is how good He's been to me! As I stated in my previous prayer letter, I've been back on the road, and thank the Lord it's been wide open! I've traveled a little over 5k miles, and I've been in six states these last two months. I currently stand at about 22% of needed support. Please pray that God will send in the rest of the support and also for upcoming meetings. I've got a few dates that need to be filled but thankfully not alot! The next couple of months I'll be in NC, AL, TN, SC, GA, and VA.

Please help me pray specifically about a few things. First, I'm 100% cleared by the doctor, but I need to have physical therapy. I'm having a hard time trying to get that started. Please pray that I can get that taken care of soon! Secondly, please pray for my home church. We are having our youth camp July 10th-14th, and I really want to see God do a work in our youth. I believe that God is going to do some great things that week! Finally, pray for more laborers, not only in New England but all across the world.

In prayer,  
Noah Gudger
