Greetings in the Lord,

July 2023

I want to thank all of you for your support and prayers. I know several of the churches are reading our letters to their people and keeping us before your churches, and I thank you.

Deborah and the boys have finished another year of school. The boys are enjoying the summer break, and Deborah is as well. We are in the rainy season; so we are in the house more than any of us likes, but we have had some serious rain this year. Joseph is growing tall and so are his feet. He will be in 11<sup>th</sup> grade next year. Joshua and Jeremiah are both enjoying playing, and we set a tent up in the school room; so they are camping in there this summer ha ha.

The radio ministry is going well, and we have been preaching now on SKYY FM now for over 7 years. We are also on West Gold radio. The radio gives us a chance to get out the gospel and to teach/preach doctrine to people that won't come to our church. Pray for this ministry because we have way more faithful to the radio programs than to the church.

Everyone wants to only hear positive, but I prefer the truth. Our church needs serious prayer. As most of you know, our church is made up of mostly teenagers. We started with these guys over 8 years ago, and many of them were just little kids. It took two years before we saw many of them saved. We are fighting a spiritual war, and each of them is facing spiritual opposition. Pray that God will help them during this time and protect them from decisions that will destroy their lives. We have been inviting people around us, but most of the churches entertain the people, and we don't offer what they are used to. Pray that God would raise up someone in the church to be called to preach and that I can train in the ministry. Pray as some have become unfaithful to church and some have moved off to go to High School.

We have been witnessing in a neighboring village and have had to postpone for the last two weeks because of rain. Pray as we go forward there that God would direct.

I have done a short Bible study through the book of Romans. I have sent it to a friend to get edited and will try to get that printed here into a 34-page book so I can get it into the hands of some people that haven't come to our church but who I have witnessed to. Store owners get bored and will read a book. I am going to try to print 200 on the first print and get them out. If there is a real interest, I will print more; if not, I will try something else.

We are surrounded by fake Christianity and false teaching. Without the Holy Spirit there is no way for our people to discern the truth from a lie. The Christianity that is offered is a prosperity gospel without the real gospel. Worldly worship and immorality in every church around us has made it very hard for us to grow. We need a real spiritual awakening.

Pray for me as I want to try to get on the television one time here to get out the gospel. I have no idea how much that would cost or how to do it. The gospel and the Spirit of God is the only hope for our people who have a zeal of God but not according to knowledge.

WE NEED PRAYER!

Dwayne Harrison
