

Reaching every *Nation*
One *Ship* at a time.

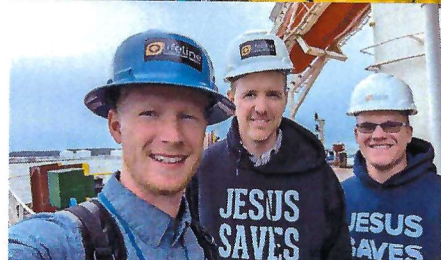

NOVA SCOTIA is where I began the month of May. During our time on deputation, the Lord gave us three wonderful supporting churches in Canada that took us on without ever meeting us! Now that Canada has opened back up, we were able to visit two of them... Amazing Grace Baptist Church and Victory Baptist Church. Upon my arrival, two things became very evident... these churches are serious about missions... and they are full of young men and women who are serious about serving God! These teenagers go out witnessing and street preaching of their own accord! Please pray that God will continue to cultivate spiritual maturity in these young servants of God!

MAYOTTE After making my rounds to several piers one day, I was a little discouraged because I had not yet found anyone prone to listen to the gospel message. On my way home that afternoon, I had to go to the bank in downtown Norfolk. As I was leaving, I came across a sea of people at the end of the city block by the waterside. When I got closer, I realized that it was the Carnival Cruise Ship! There were people from all over the world returning to the ship from their shopping and dining. As I turned the corner, I saw several Jehovah's Witnesses stationed all over the place pedaling their Watchtowers. Now overwhelmed with conviction mingled with fear, I knew what I needed to do. So I paid for two hours of parking, stuffed my cargo pants full of gospel tracts, and headed back toward the sea of people. As I made my way through the crowd toward the ship, I saw an Indian looking man in blue coveralls sitting on a park bench. He was a seafarer! After speaking with him for a few minutes I realized that this whole area was covered with foreign seafarers. One by one, I began talking to the crew who were preparing to board. Finally, I came to a young man from the Island of Mayotte named **Yoan**. (TRIVIA: Do you know where Mayotte is?) He had a solid testimony of salvation, but he knew in his heart that he was not close to the Lord. I could sense that part of the problem is that in his home country, he has NO Bible Believing Church to fellowship with. After directing him to some resources, God spoke to my heart... "Give him your Bible"... After a short inward battle, I gave him my Bible and immediately his eyes filled with tears. "I will read this Book every day." He promised. Please pray for **YOAN**.

GUYANA Also this month, I took my 9th trip to Guyana, South America to preach a teen conference. While there, I got to baptize **Samson**, one of my teenagers! Please pray for him as he leaves for Bible college and pursues God's will for his life. Also, this month, we took our teens to Hampton, SC to do a patriotic VBS for a small church.
