Dear Friends and Co-Laborers:

Ephesians 3:20, 21, "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Unto him *be* glory in the church by Christ Jesus throughout all ages, world without end. Amen."

Our God is truly an amazing God, taking care of and supplying our needs. We simply cannot ask or even think above of what our God is able to do. God has performed many miracles for us. I am now involved in a new ministry called "BNC Mission Prayer Line." This ministry involves pastors and truck drivers and many others. I give a devotion every Wednesday, and this ministry has proven to be very effective and inspiring. Mark, my son, is one of the leaders.

We are so thankful for our wonderful supporters. So many churches and individuals support us faithfully each month, some giving extra money. We appreciate so very much all of you for your faithfulness in taking care of our needs. Of course, God takes note of this and will reward all of you for your faithfulness.

My health issues are getting worse it seems, and I stay very weak and dizzy headed. Oleen has type 2 diabetes and diverticulitis, causing many problems. Please do continue praying for us. Perhaps God will bring relief soon to our health problems. Your prayers are much appreciated. Please keep on praying, as we pray for all of you daily.

We give out gospel tracts everywhere we go and have a ministry of intercessory prayer. If you have requests, please send them to these websites: www.intfrs.com or www.intfrep.com. We will pray over each one.

Dedicated to serving our Blessed Redeemer, until He returns, no stopping place.
