

Richard & Sylvia Vance Printing Ministry

April - June 2023

"Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ. I thank my God upon every remembrance of you," Philipians 1:2-3 KJV

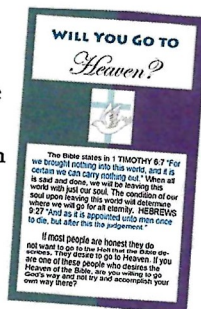

Did You Know this about the MWBM Print Shop? We offer more than 55 English tracts, 14 Spanish tracts and other tracts in foreign languages including Portuguese, French, Dutch and Russian. Imprinting church information is also available.

SPOTLIGHT: Please take time to read the June 2023 prayer letter from Aaron Vance - What an exciting report! Here is a picture of 2 of our granddaughters helping in the optical clinic in Colombia. "Thousands Served and Hundreds Saved!"

Testimony: One of our customers recently re-ordered the tract "If You Died Right Now." He is a military chaplain and said that he has used that tract to lead over 1,920 military souls to the Lord. What a blessing.

New Tract: Our missionaries to England, the VandenHurks, are making their tract available to everyone through MGPI. "Will You Go To Heaven?" points to the need for personal salvation using the Ten Commandments to show readers where we stand before a Holy God. (We are all guilty and deserve judgement.) The reality of sin is revealed along with the reality of God's forgiveness and a home in heaven.

Tried & True:

Definition: denoting something that has proven in the past to be effective or reliable

This classic KLUGE machine was recently installed at the print shop to help with making door hangers, perforated cards and raised letter type. What a blessing to have a skilled teacher, Bill Paules, help us get it ready to use.

June Lightning Surprise:

Our internet and two inside lightbulbs were blown in our house back in June. Even our neighbors experienced outages. The internet repairman said it was caused by "indirect lightning" that blew everything. He said that the internet company had to replace over 200 modems in our area due to lightning storms.

Prayer Request:

Right now we are waiting on our car insurance company to follow through on a claim we have concerning my wife's car. The vehicle was evidently struck by that "indirect lightning" on June 20th while parked at our home. The insurance company is not satisfied with the testimony of the repair shop that this was so. They are requiring photographic evidence of this diagnosis. All of the dash lights, headlights and electronic controls are either not working or flashing on and off. Thank the Lord my wife, Sylvia, has access to our daughter's car for now. We can't go buy another car until the insurance claim is completed. We are still making payments on this car. According to the mechanic there is \$12,000 worth of wiring and parts plus \$5000 worth of labor involved in the repairs of the car. We are praying for a speedy resolution. Interestingly enough the tires were just replaced.

Once again, thank you for having a part in the fruits of this printing ministry. God bless!

Richard & Sylvia Vance
