Dear Faithful Prayer Warriors,

Greetings in the name above all names, Jesus Christ. Anita and I pray this letter finds you well and rejoicing in God's richest blessings. Your faithful financial and prayerful support is a great encouragement and enables us to fulfill the ministry God has given us. This year marks our 35<sup>th</sup> year serving with Macedonia World Baptist Missions. God used your faithful support and diligent prayers for our family to enable us to carry out His work that He called us to. Thank you for allowing us to be a part of your missions' outreach. We are extremely thankful for you.

### Haiti Update

On July 27<sup>th</sup>, the State Department issued a Level 4: DO NOT TRAVEL for Haiti due to the extreme violence and kidnappings. Gangs have taken control over a great deal of Port-au-Prince and control the flow of medicine, gas, and groceries to many parts of the island. U.S. citizens in Haiti are also urged to leave the island as soon as possible. I can tell you that as a missionary it is almost impossible to leave the people God has placed in your heart, especially in their time of need. I am in communication with missionary Connie Anderson. She is safe and they have food for now. She will remain in Haiti with the children that have been placed in the children's home she operates. God has placed a few people around Sis. Anderson who help get food and supplies to them. There is one evil man in particular who has been causing Sis. Anderson grief. **She specifically asked us to pray that Papinn will leave them alone and stop coming to her gate and stop sending people to her gate.**

Anita and I are thankful for the meetings we have recently been a part of in Florida, Georgia, and North Carolina. It is always encouraging to see God's precious Holy Spirit moving and Saints of God responding.

In His Service,

*David & Anita Fenley*
