## May 2023 Prayer Letter

Dear Beloved Brethren and Co-Laborers,

As always, we cannot over state this, we thank and we will keep on thanking our Eternal God, Lord and Savior Jesus Christ for sending us on this glorious mission. It is truly a joy as we do His will even in difficult times. We pray that His Holy Spirit will keep on guiding us in the right path of righteousness, to be obedient and faithful until the end, no matter what. We understand that we are living in difficult times and we do immensely thank you for your support, prayers and we praise the Lord for your faithfulness. **Please be patient as you read this letter.**

10. Pray for our Wednesday Bible study as we are studying the Epistle of James.

11. Provision for another church property whether in Ciudad Colon – Mora or in Santa Ana, Rio Oro where we will have our principal buildings for Baptist College & Theological Seminary. Pray for a property in Santa Ana, La Uruca which we have seen before and it is still for sale. I have previously sent pictures of the property in previous prayer letters; it is in a good area where we can also have our main offices for the Baptist College and Theological Seminary. Our vision is to also have a Christian school there from Pre K – 12, that will be the first one in Costa Rica that I am aware of and that will be a blessing.

That property is 6,000 square meters which is about 64,583.46 square feet and it cost \$600,000.00 dollars, that's about \$9.29 dollars per square feet and that is a fantastic deal. The other property which we were looking at in Ciudad Colon – Mora has been sold. Properties do not last long in a good area, it's not like before during the pandemic.

Please pray about what the Lord will have you to do, we want to leave a legacy for God's glory here in Costa Rica and you are part of it.

### *Support Level*

We are sustaining an 84% support by the grace of God with much sacrifice. By faith we have started this journey, by faith we are trusting in Him for His provision and by faith we will keep on serving Him as we do His work, according to His will.

### *Safety with Travels*

Safety as we traveled in Costa Rica. Protection on the road as we traveled to churches, especially in the mountains.

### *Schedule of Meetings*

Now that we have started the church, it is not easy to leave for six months or more to get support, we have a big responsibility here and we want to be faithful to it; but with God nothing is impossible. He knows the churches that will support us so we can reach the goal even though we are not be in the States.

### *Softness of Attitude*

To stay close to God and focus on Him and the mission that is set before us, not on our circumstances because it very easy to get discourage at times and Satan, as always, wants to put his nose in God's business.
