Dear Pastors and Praying Friends

August 2023

Greetings in the wonderful name of the Lord Jesus Christ our soon coming King. This could be the day or the year that our Lord will come. I'm so unworthy of God saving my soul and giving blessing that are unbelievable every day.

I have been in revivals and fellowship meetings, nursing homes and jails in the past months.

I preach a revival at Peoples Tabernacle, Roaring River NC in May. God blessed with good attendance and great spirit each night.

I preached for bro. Willy Bryant at Bible Assembly Baptist Church for three weeks which was blessing to all.

My leukemia is stable with checkups every three months, they have stopped treatment for the summer. On my last visit the blood showed a problem in my left kidney. I'm on oxygen nightly with portable concentrator for other needs. The eye doctor found a problem in my right eye and surgery is scheduled for July 24.

The eye surgery went well but going off my antihistamine brought on more problems.

I am praying and trusting God that He will supply the needs and open doors for me for His Glory and Praise. I am always looking for churches and pastors that need help.

Thank for all the support and prayers for the ministry and may God let a special blessing on all.

Brother in Christ
