CARRYING THE GOSPEL OF CHRIST TO THE ISLANDS OF
PAPUA NEW GUINEA

August 2023

Dear Friends,

We are privileged to work for the King here in Papua New Guinea! Doors are being opened regularly, and needs are being met daily!

Our Church —

New Home Baptist Church continues to see the hand of the Lord. The Gospel continues to show forth the power of God unto salvation. We preach in the villages, in the markets, in houses, on the road, and anywhere that God opens for us. We recently were given an invitation to preach at the government school regularly. Most schools divide their religion-instruction classes based on denomination; however, this principal asked if we could speak to the whole school. Praise the Lord. I am unsure if we will see a great harvest, but I thank the Lord He lets us do some planting! We have also seen the pick-up crowd triple in the last few months; before, we were able to get everyone in 1-2 trips, and now it takes 3 trips minimum to get everyone. What a blessing! We have seen a handful of people call upon Christ for salvation recently, and we ask that you pray for them as they make the decision to be baptized. Most of the time, no one in the village cares if one of their own claims to have gotten saved, but when they get in that water, they are immediately marked and persecuted. Pray for these new brethren!

Bible School —

We continue to train our guys how to rightly divide the Word of Truth and to convey that truth in their public preaching. We have seen such growth in the brethren, and I am excited at the future of the Gospel ministry in Milne Bay Province! We are set to ordain two of these preachers to be pastors in November: Brother Amos and Brother Branden. Lord willing, Brother Amos will become the pastor for New Home Baptist Church, and Brother Branden will go back to his island and shepherd New Creation Baptist Church.

Future Ministry —

As mentioned before, we have acquired some land at Normanby Island for future ministry in Milne Bay. Once New Home is in the care of Brother Amos, we will shift our focus to this work. On the island, we will be setting up a base of operations for church-planting in the province. This includes: our house, a training center, and guest houses for students and visitors. We already have 15 men confirmed to attend the Bible school on the island to be trained to become ministers of the gospel. While training these men, we will be preaching from village to village and island to island with the intent of gathering converts from each area into local churches. Following the Lord's wisdom, we will have sufficiently-trained men to pastor these future new churches.

Furlough —

We wanted to give a reminder of our furlough plans for 2024. Our family will be in the States for furlough from January 2024 to June 2024. We would love to come and report to our faithful supporters all that the Lord is doing in Milne Bay, PNG! It has been a long time since we saw many of our friends, so please let us know if you would like our family to come and visit with your church.

Brother Grandy preaching at Market

But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God. Acts 20:24
