Dear Praying Christians,

August 2023

In the days in which we are living, I am reminded of I Peter 5:8, "Be sober, be vigilant; because your adversary the devil, as a roaring lion walketh about, seeking whom he may devour." In the last couple of months, the Lord has been working on people's hearts and lives and Satan keeps fighting within and without.

Our baptism service in May went great with a young girl and an older man both following the Lord in this step of obedience to the Lord. We were able to fellowship with Dee's wife at the baptism service. Please continue to pray for her that she will start coming to church on a regular basis. It is refreshing as a pastor to see Dee's desire to grow in the Lord through discipleship. He also wants to start going out with me soulwinning to learn how to share Christ with others. Keep praying for his growth in the Lord and for his family's salvation.

During the summer months, we have had several visitors come to the church on Sunday morning. Connie invited her friend, and she came to church for the first time a couple of weeks ago. Tracie has been coming to church and bringing her grandson with her. She invited her grandson's friend and his mother to church, and they came for the first time this past Sunday. Pray that we will be able to make contact with these visitors and that they will keep coming to church.

I praise the Lord for Joah's growth, a young lady in our church. She has stepped up in our music program to lead the music in our services and to lead the church choir. Her dad and mom have been running our recordings and now help with the AV department. We look forward to seeing what the Lord is going to continue to do in this family in the future.

This Fall we are having a Fall Festival in November. A couple of years ago we had one and had over one hundred people come through the church; in addition, we gained a family in church on a regular basis. We are reaching out to the community again hoping to grow our kids' program and add some new families. Pray for our Fall Festival that people will come from the community and be reached with the Gospel of Jesus Christ.

Would you also pray for a situation in our church that has caused much heartache and discouragement. There is a man who has been a part of Mountain View for four years and for three of those years there has been a constant issue. He has fought against many of the teachings and is working to have Caleb voted out of the church because we stand on missions and teach giving to the church. He hates so many things that we do at the church and has made it extremely difficult to move forward in just about every area of ministry. Caleb has asked him to move on, but he refuses. We are and have been praying that God would change his heart or move him from the church.

We remember David in I Samuel 30:6, "... but David encouraged himself in the Lord his God." As Satan keeps on fighting the church in our day let's stay faithful in our race for Jesus is returning soon!
