

THE CAMPBELL FAMILY

MISSIONARIES IN QUEBEC

August 31, 2023

"To every thing there is a season, and a time to every purpose under the heaven:" Ecclesiastes 3:1

Summer is coming to a close and autumn is just around the corner. The seasons here in Quebec are very distinct, and our Creator has painted amazing beauty in each one. Of course, the season referred to in Ecclesiastes refers to the different times and life events we all experience. In every season there are challenges and struggles as well as blessings and victories that the Lord uses to form Christ in us.

We're just beginning to study this Old Testament book in our Sunday services and I believe God will use it to strengthen us for the days ahead, especially as we see our world changing at an astonishing rate. Thankfully we have Christ and His unchanging Word, that enables us to navigate each season with confidence.

We have several from our church family that are moving away soon. We are sad to be losing them, but are confident that the Lord will continue to guide them in His will. We have also seen some new faces recently in response to prayer! The husbands of three of our faithful ladies have attended some of the services this summer. God is at work and we thank you for your prayers in this matter! At the same time we see that the enemy is doubling down trying to prevent any true transformation from taking place. Please pray that the Lord will give us wisdom in helping these families become rooted in Christ.

In July, we had the opportunity to take the kids to camp at Pensacola Christian College, and it was great to see the kids enjoy some new opportunities. Ashlyn

enjoyed drama camp, and Dakota loved his engineering camp. Sophia and Analee attended sports camp together. Denver did great on his first trip to the states to meet the extended family. This was our first time in nine years to be back in the south during the summer, and the heat was definitely hard to handle, especially since the air conditioning stopped working in our vehicle at the beginning of the trip! We also spent the trip back battling a virus, but we thank the Lord for His grace to accept the challenges as well as the blessings.

This summer we were able to hold our first vacation Bible school. Ashlyn, worked very hard to create and organize the program. It was a great opportunity for our church people get involved in the children's ministry and to see Ashlyn and Dakota using their creative skills to help the kids learn Bible truths!

Homeschool is now back in session and going well. Ashlyn is beginning her senior year and taking dual enrollment classes in preparation for college. Please pray for her as she enters this new season of life and begins to make decisions for her future studies and ministry. We're thankful to see how God is working in her life and opening up opportunities for her to grow. She has been praying for a while about an opportunity to go on a missions trip, and just recently the Lord has opened the door for her to go with a church group to Scotland in October. She is excited about this opportunity and would appreciate your prayers for her.

Thank you for your faithful prayers and support! Please pray for more laborers for the field of Quebec!
