July-August 2023

Praise the Lord for two more great months of deputation! They have truly been amazing. I've seen the Lord answer some prayer requests and do some wonderful things! I'm so thankful I get to serve the King of Kings and the Lord of Lords!

Once again, I thank the Lord for His protection on the road. In the past two months I have traveled 6,000 miles. The Lord has allowed me to have the opportunity to be with some great churches that have a burden and a desire to see souls saved. At the time of my last prayer letter, I was at 22% of needed support; however, the Lord has continued to send in support, and I am now at 30%. Please help me pray for the remaining support to come in. The ideal goal is to be at 50% or more at the end of this year. I know the Lord is able to send the remaining amount in and get me to where He has called me to go.

The next couple of months are going to be exciting! The Lord has blessed me with meetings the remaining part of this year, and I am starting to book meetings for next year as well. Please pray that God will continue to open doors for me to present the call to church plant in New Hampshire. The next couple of months I'll be in the states of Georgia, Mississippi, Florida, North Carolina, and Maryland.

In my last prayer letter I requested prayer for the youth camp at my home church. I was also able to attend Bible Baptist's youth camp, and in those two camps, the Lord did a great work. I was so thankful to see Him bless both churches in a mighty way. God did some things in my heart in those two weeks!

Lastly, thank you to all who have prayed for my request concerning physical therapy. The Lord has once again answered prayer, and I am planning to begin therapy in December. God's people are the best people!

In Prayer,
Noah Gudger
