II Kings 7:9

Living Hope Baptist Church (1st Church plant)

The church is now meeting for the last few weeks on its own property. Currently it is just an empty property, but the joy to finally have something of its own!

We saw 3 families visit during the first 2 Sundays. 2 of them have expressed the desire to continue attending. Please pray that God continues to add to His church.

BLESSING! One of the believers in Lighthouse Baptist works for the light company and helped us get a contract and meter from the light company without much effort, and at a discounted rate.
#PraisetheLord (PTL)

BLESSING! The previous owner had paid 4 years ago the contract with the water company at which point cost over 700 USD. Now, we just have to ask them to come and install the tubing to have water. #PTL

God is working! He is providing! I could continue with other examples of God working miracles and hand of blessing.

Lighthouse Baptist Church (2nd Church plant)

A few weeks ago, Roberto a nurse in the church contacted me to go visit one of his in home patients an older lady who had suffered a stroke and her daughter Rocío. I prayed with Guadalupe who was unconscious and witnessed to Rocío and Mitzi her niece. At the exact moment of asking them to make a decision to trust Christ as their Savior, she took her last breath and died. It was an impactful moment, needless to say! We must take the gospel to the lost BEFORE its too late!!

The church has grown over the last few months with new families.

Liliana is engaged to get married to a preacher boy from a church 2 hours away who is studying in our Bible Institute.

Aurelio just graduated from the Bible institute in late July. He desires to start

churches and strengthen small churches in the mountains of the state of Puebla.

"Promised Land" Property Purchase

What joy and emotion for Israel, to finally after years of promises, setbacks but also God's leading in every step to finally enter the "Promised Land"!

Just like this old testament story we have prayed, saved and seen the setbacks and God's leading to enter the "promised land" that God promised me years ago for Living Hope Baptist and for the Bible Institute.

It is a great location, and the owner was willing to work with us for a period of 2 years to finish paying off the property.

Thank you so much for every **single** dollar and prayer that was offered to God on our behalf to have a permanent home for the training of men and women for ministry.

We are already having services on the land. Lord willing by January, because of permits primarily we will begin constructing.

We will be sending **1420 Sq Feet**
out shortly a letter **Cost = \$75,000**
with more details, **Down = \$23,000**
how God **Monthly = \$625**
has already worked **to pray and how** **Every 6 Months = \$5,500**
miracles, photos, how
to pray and how
to help.

Valley Bible Institute

Classes start back up next Tuesday.

We had our first graduation for the 4 year Bible Degree in August. Saul, Aurelio and Jonathan all graduated in preparation for full time ministry.

Please pray as we seek to expand and train more men and women for local church and full time ministry.

Teen Summer Camp

In July we held our 7th Summer Teen Camp. Pastor Carlos and his wife Areli from Queretaro, helped us organize it and ran all the games.

I am so honored to be used by God to impact the next generation with the truth of God's Word.

We had over 60 teenagers from 7 churches this year.
