## Church Planting Missionaries Through the Printed Page!

### *The Missionary's Most Vital Tool!*

### Serving with Macedonia since 1978

Tracts + Bible Study Materials + Church Planting Materials

**July – September 2023**

Dear Pastor and Friends,

"And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry;" 1 Timothy 1:12

The word **Faithful** is used 82 times in the scriptures. I am also as Paul was, so thankful that God has "counted me faithful, putting me into the ministry," but I'm also thankful that He has given me the strength to do so. We are thankful also for you who have stayed faithful with your prayers and support.

We love to hear about how many are saved from the tracts that are sent out. We received a phone call the other day, from a volunteer Chaplain who has ordered tracts from us over the last 10 years. He reported that while our military personal were waiting on their flights, he has won 1,920 to Christ. What a blessing it is to hear such good news. A gospel tract is powerful because God's Word is powerful.

The Lord supplied us with this classic KLUGE (Clue-gee) printing press machine. It is operational and will greatly help in die cutting door hangers, scoring, and perforating printed material.

Thanks to the financial support from faithful churches and individuals, we are able to print tracts at cost. Unfortunately, as we all know, the cost of doing anything has gone up as much as double what we were paying for paper and materials just 3 years ago. Regardless of the cost, we must continue to publish high

quality KJV tracts. There are many tract printing ministries out there, but few are printing tracts using the KJV. You may be asking, "How can we help?" Well, I'm glad you asked. First, continue to pray that God will supply the need for the paper and materials needed to run the presses. Second, ask the Lord what you can do to help us cover this increased cost of printing. God has been faithful in meeting these needs through His people for the 45 years we have served Him. Third, and most importantly, pray as each tract goes out, that the gospel of our Lord will be received and souls will come to Christ.

When you think about it, we really owe a lot to the invention of the printing press.

- The number 1 reason of course is the printing of the Word of God. The gospel was spread everywhere.
- It was the desire of God's people to find a place to worship freely that led the early settlers to come to America and live their lives according to God's Word.
- Our Republic was founded on God's Holy Word.
- Untold millions have heard the gospel through the printed page.
- In 1902, air conditioning was accidentally invented by Willis Carrier while developing a dehumidifier for a New York printing company. When you are enjoying the cool air coming from your AC, please think of us and the printing ministry of Macedonia.

Thank you for your continued prayers and financial support.

"The Lord gave the word: great was the company of those that published it." Psalms 68:11

In Christ's Service,

*David & Florence Wade*
