September-October 2023

Dear Partners in Ministry,

Because of your Prayers- Pastor Brian Evans and his wife Valerie travelled down for the dedication of our new building on October 15th. The speed with which we were able to get architectural renderings and confidently go ahead with construction are answers to your prayers. The design phase and approval of architect drawings were the most difficult hurdle. From that point until now, we've moved forward quickly.

What's happening right now- Folk are responding to The Gospel! An example from August would be the family who came to church for the first time, and *five* of them accepted Christ. While out visiting and soul-winning, we often encounter people who hear for the first time the words of Jesus from John 3:7, "... Ye must be born again..." We baptized four people the same day of the Dedication Service, and **three people accepted Christ as Savior.**

Thank you for your prayers and support.

David Harper
