**“Praise ye the Lord. O give thanks unto the Lord;
for he is good: for his mercy endureth for ever.” Psalm 106:1**

We have so much to praise the Lord for! God has been so good to us! I am thankful to serve our merciful Father. September and October have been a busy season for us, but we are rejoicing at all God has done! We are thankful to have seen more souls saved. For over a year now we had prayed and asked you to pray for the salvation of Gustavo. Gustavo received Christ as His Savior and is growing in the Lord! Praise the Lord for His mercy in continuing to work in Gustavo’s heart this whole year. We also had three precious children who are faithful in Sunday school receive Christ as their Savior! Please continue to pray for salvation of souls. Also, for us as we help these new believers to grow. We are currently doing discipleship with several new believers weekly. I believe it is so important to give them a good foundation as they begin their journey with God. It has been an encouragement and challenge to us as we see their desire to learn. May we never lose that desire!

Another exciting event was our first two church members joining our church! We are thankful for this couple. We have seen so much growth in them. Alan has a desire to study in Bible Institute and our plan is to begin some

formal training starting next year. He and his wife have been a blessing serving in so many ways. They have helped make our workload lighter. He started leading music recently and that has been a blessing to me. Please pray that God will continue to grow Alan and Luciana and use them mightily. When the church grows and moves forward, our

enemy also tries to attack, and insert false doctrines and teachings. I won’t go into details, but we have also been dealing with a difficult situation and need God’s wisdom and protection. We had a children’s event and had several new families come out for this. Pray for the seed sown. The ladies Bible study that my wife has been doing with the ladies has been a blessing and is a way we have been reaching some new ladies. We thank you from the bottom of our hearts for your prayers, support, and encouragement. We are blessed to have partners like you. Have a blessed and Happy Thanksgiving!
