**Missionaries in
North Dakota to the
Chippewa Indians**

Planting Churches

*Ps 122:1...I was glad when
they said unto me, Let us go
into the house of the LORD.*

Winning Souls

*Pro 11:30 ...He that winneth
souls is wise*

Training Nationals

*2Ti 2:2 And the things that
thou hast heard of me among
many witnesses, the same
commit thou to faithful men,
who shall be able to teach
others also.*

Reaching the World

*Mark 16:15... Go ye into all the
world...*

Dear Pastors and Praying Friends,

I apologize for being late with this letter. We have been so overwhelmed with my wife's surgery it just slipped my mind. Living in a rural area like we do, we have to travel several hours for any kind of a doctor's appointment. That's what we were doing leading up to her surgery. From one side of the state to the other side. Going to specialists and having tests done. Pre-op and then post-op. It has kept us busy. Her surgery went well. It was the shortest part of the whole ordeal. She went in at 6:00 in the morning and was home by 3:00 the same day. She has healed up now and is mostly back to a normal life. My emergency eye problem has not gotten any worse, and the specialist told me what it was and is monitoring it. I go back in November.

During all of this, we had a building project going on at the church. Roger Mullins from Craftsman for Christ and the Boyds came up to build a nursery and bathroom in the church. We are grateful for them doing this as we wouldn't have been able to do it without them. We took two rooms beside the auditorium that we hardly used and turned one into a handicapped bathroom and the other into a nursery. This will give us a bathroom upstairs. The bathrooms we had were downstairs and inconvenient for those who had trouble negotiating stairs. We are almost finished with this project. All we have to do is paint the nursery and the hallway and install a sink.

Winter has arrived here on the Northern Plains. We just got 14 or more inches of snow in the past three days, and the temperatures are not supposed to get above the 20s for the next 15 days.

We have done what we could this summer to get the Gospel to the people here. My wife's surgery hindered us, but we still did what we could. Our church has not grown much in number, but the people who are coming are showing some concern for growing the church. I put together a simple Romans Road scripture page, and I was surprised at the reception it had. Everyone wanted a copy. I told them I would teach them how to use it, and they seemed interested in that. So I will start having a soul winning class. Since it is winter now and the temperature and weather will get worse, I am going to present a plan to the church on what we can do to reach the lost without going house to house. As the winter progresses that gets harder and harder to do. Our Christmas Musical will be on December the 2nd. We tried to do it last year, but the weather shut us down. Please pray that we can get that done this year. I believe this will be a great way the Lord can use to reach our community.

We thank all of you who have been praying for us. Thank you to the ones who sent offerings for our medical needs. And thank you for your support that keeps us on the mission field reaching the Chippewa Indians.

May the Lord bless you all.
