## MISSIONARIES IN QUEBEC

December 7, 2023

*"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not."*

Jeremiah 33:3 is a familiar verse for most seasoned Christians and is a comforting promise that holds true today. It highlights God's desire to reveal Himself and His works to those that are seeking Him. God is doing a work of calling us to a greater dependence on Him and understanding of what He wants to do in us and through us.

It has been a joy to see the Lord accomplishing this in many different ways in our church family. In our children's ministry, we continue to see growth, both numerically and spiritually. We recently baptized two girls, Selena and Analee.

Selena was so excited to see her grandfather come to her baptism. It was a huge answer to prayer for her and her grandmother. Sadly her parents did not come, but she continues to pray for them and to read the Bible at home to her baby sister. It was also a special privilege to baptize my daughter and to see her desire to grow in her walk with the Lord!

Our traditional fall activities have also helped our church family to know one another better through fun and fellowship! This year we went to a local orchard to pick apples and pumpkins. It was a cold but beautiful day together. Our annual fall festival was also a success!

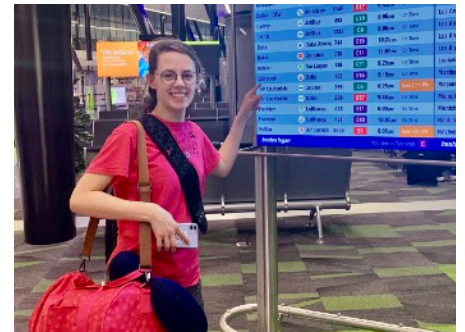

The Lord continues to add to our church family. In September we welcomed a young family that just immigrated from Senegal. He also brought to us another young man, William, who was recently saved.

It's been great to see Michel taking the initiative to encourage him in his walk with the Lord. Lord willing, in January we will baptize William and another man that was saved about a year ago.

God has blessed the church with a good group of mature men that are able to exhort one another in their spiritual growth and service in the church. We have been meeting weekly to discuss the biblical and practical aspects of accomplishing our mission as a local church. Our ladies are also busy serving and growing in grace together. This fall they enjoyed preparing shoeboxes for the Operation Christmas Child program.

Ashlyn is in her senior year now and we are proud of the young lady she has become. She has been praying for an opportunity to go on a missions trip, and in October the Lord opened the door for her to go to Scotland! It was amazing to see God answer her prayer and provide the funds necessary. You can read more about her trip on her blog [gospelsakeblog.com](http://gospelsakeblog.com).

This year has been a challenge health-wise for our family. It seems that we've been constantly battling various illnesses, but the Lord has been faithful to give us the strength we need for each day. We celebrated Denver's first birthday at the end of September. He is a bundle of joy and energy, but still has difficulty sleeping through the night! Thank you for faithfully praying for our family and the work here in Quebec. Thank you for all the cards and Christmas offerings as well! May the Lord bless you all with a wonderful Christmas and a happy New Year!
