Dear Pastors and Praying Friends

November 2023

Greetings in the wonderful name of the Lord Jesus Christ our soon coming King. This could be the day or the year that our Lord will come. I'm so unworthy of God saving my soul and giving blessing that are unbelievable every day.

I have been in revivals and fellowship meetings, nursing homes and jails almost every day in the past months.

My leukemia is stable with checkups every two months, they have started treatment to boost my immune system. The problem in my left kidney has cleared up. I'm on oxygen nightly with portable for ether needs.

The eye surgery went well but going off my antihistamine brought on more problems.

Please pray for my car problem, it needs a new motor. I hit a recap that came off a truck and went under the car and ruptured the radiator. The insurance paid to repair the car but not the motor. I had 100,000-mile warranty insurance witch should cover it, but they say the other insurance should. The repair cost is \$8,000.00.

I am praying and trusting God that He will supply the needs and open doors for me for His Glory and Praise. I am always looking for churches and pastors that need help.

Thank for all the support and prayers for the ministry and may God let a special blessing on all.

A Merry Christmas to everyone and Christ be lifted up and praised.

Brother in Christ
