Dear Co-Labourers in Christ,

Greetings in the blessed name of Jesus Christ. As we look in Luke Chapter 2, we see the story of our Saviour's birth. For us that have trusted in Jesus for salvation, the birth of the One we believe in is real to us. The world does not understand the real reason we enjoy celebrating the birth of Christ. We hope you will keep Christ foremost in your mind this season. We have so much to be thankful for. I will have to say God has met every need of Sister Hutchens and my lives this year and many years in the past. We give Him all the praise.

In our last prayer letter, I spoke of the possibility of Sister Hutchens having a torn rotator cuff and facing surgery. She did have the surgery on November 6th and has just started therapy. So far she is doing great. Give God the glory. As for me, I had to have my right eye scraped; the procedure is called a Super K. I'm now waiting for healing enough to be able to get new glasses. As most older people, we see the doctor more often than we used to.

Now for what is going on in the Northwest beside cool weather and snow, our church planters are staying busy ministering where God has put them. The Godfrey family has gotten a building in Kellogg, Idaho and are trying to get it ready so they can have their first service as a watch night service on New Year's Eve. Several of the wives are facing physical problems. Please pray for these: Sister Yvette Hawks, Sister Jennifer McKinney, Sister Dawn Godfrey, and Sister Deanna Hewett. Caleb Ballew has had several truck problems; please pray for them. Pray for those on deputation to be able to raise their support to get to the place of their calling. Pray for their safety as they travel many miles. Pray for more labourers; we know the fields are white and ready for harvest.

Sister Hutchens and I are looking forward to heading West as soon as the snow is where it is safe to travel. We want to say thanks for all your prayers and support. We wish you all a Merry Christmas and a Happy New Year. In closing, keep looking up; the Christ who was born to save the world is soon coming back. As Jamaican's would say "Soon Come." He is coming soon.

Because He cares,

Rev. Wesley Hutchens
