Good News from MGPI print shop,

Greeting in the name above all others, Jesus Christ our Lord!

I am slow in getting this final letter of the year out; so I know it is after Christmas as you are reading this. We trust you have been richly blessed this Christmas season. It is wonderful that we truly have a reason to sing "Joy to the World" for the Lord hath come!

We rejoice together with you that pray and support this printing ministry. The Lord has provided, and we have printed around a million Gospel tracts this year. Only the Lord knows how many souls were saved around the world through God's Word that was shared through the Gospel that was sent out in the tracts.

We had mentioned before the need for the money to purchase the paper needed for the 300,000 Spanish tracts that are going to Mexico. Praise the Lord, through what churches gave, we now have enough to pay for the paper to print these tracts.

We have had another missionary that has contacted us about printing a half million tracts to go to Africa in 2024. The tract they are asking for is a larger size and will require more paper than some of the smaller tracts. Pray the Lord will help us to meet the need and provide these tracts. Would you and your church want to help reach thousands, even possibly a million souls in Africa with the Gospel? Yes, a half a million tracts could easily reach a million people or more in these countries. How? Often more than one person will read one of these larger, full color, Gospel tracts with graphics that explain salvation. Pray for us and with us because our God is more than able.

We are so thankful for all we are able to do together with you in reaching lost souls for Christ.
