Dear supporters and prayer partners,

Joinville, January 2024

Our prayer is that you had a wonderful Christmas season and are enjoying the New Year filled with blessings from the Lord. We are grateful to God for giving us a good Christmas and bringing in the New Year with a heartwarming visit from my youngest brother with family and friends. Our house and hearts were filled to the brim with joy.

Praise be to God for His working regarding our construction project. After over two years of working with and waiting on the city to approve our project, we praise the Lord that the construction of our new church building began on September 11, 2023.

Please continue to pray with us as this project becomes a reality. A big thank you to our dear friend Pastor Gene Acker and the Fellowship Baptist Church Family in Oxford, GA who have given the funds to make this project possible.

Praise the Lord for a young lady that recently came to the church for the first time, and after the service, Soraia shared God's plan of salvation with her and she trusted Christ as her Savior. Her name is Estela. Pray that she will grow in the Lord. Pray that others will respond as we continue to reach out to our neighborhood with the Gospel. Pray also for the ministry at the New Jerusalem nursing home as we continue to have services there.

Please continue to pray for our health. Soraia is still suffering with issues due to Vestibular Neuritis, and I continue to deal with some lower back pain.

With grateful hearts we thank you for your prayers and support,

James and Soraia Allen

*Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me; **Romans 15:30***
