**CAUDILL**  
PRESIDENT & GENERAL DIRECTOR

March 2024

Dear Friends,

Cassie and I are so grateful for your friendship and your faithful prayers as well as your financial support. What a joy it is to labor with you to reach a lost and dying world with the Gospel.

After taking a few days for time with family in December, we have kept a full schedule since the first of the new year. While staying in close contact with our office, we have traveled each week in meetings. Our travels have taken us as far north as Pennsylvania and as far south as Florida to “fan the flame” of world evangelism. It is a great joy to assist pastors in helping their church family see the need to do more than they have ever done before to get the Gospel to the world while we still have opportunity. Truly the hour is late, and the need has never been greater. Thank you for your continued prayers for safety as we travel.

Whether I am in the office or on the road, a new year always brings the task of preparing tax forms for all of our missionary families. As a result of the diligent efforts of our staff here, I am glad to be able to report that job has been accomplished for another year. Honestly, very few people ever stop to think about things like this when it comes to world evangelism. However, it is a need that must be met for missionary families if they are to remain on the field doing the work of the Lord. It is our joy to assist them and their sending churches in doing so.

In addition to the many administrative tasks we undertake on a daily basis here at our office, we also have several things to prepare for and to look forward to in the new year. Lord willing, this coming April 27 our home office will host the next “Reach the World” Youth Conference. This is an exciting as well as enlightening day here that we are trusting God to use to help raise up another generation of missionaries for His glory. Has your youth group registered yet? For more information you can log on to [mwbm.org](http://mwbm.org). Please pray with us that God would bless this day in a very special way. We hope to see you and your youth group here for the meeting.

Cassie and I are also excited about a door of opportunity that God has opened for us to travel to Africa this summer. While there, we plan to visit three of our Macedonia missionary families. We will travel to Burkina Faso in order to visit with Missionary Keith Shumaker and his family. After a few days with the Shumakers, we will travel on to Ghana to visit with Missionaries Dwayne Harrison, James Ruckman, and their families. While in Ghana we will not only be a part of a national pastor’s conference, but I will have the opportunity to preach in several church plants as well. It will be a busy two weeks, but we are believing that it will be most productive for the cause of Christ. Would you please pray that God would use us while in Africa? Would you please help us pray for the financial needs of the trip? From all indications the airfare alone for the two of us will be between \$6500 and \$7500. Since the trips we make like this are at our own expense, we are trusting the Lord to help meet the need. We truly believe it is God’s will for us to be in Africa this summer. Thank you for laboring with us in prayer. GOD IS ABLE!

Recently while in a missions revival at the Grace Baptist Church of Baldwin, Florida, where Dr. Dewayne Jowers serves as the pastor, a young man by the name of Stephen was saved. A young lady by the name of Gracie also surrendered her life to be used of the Lord in missions. God is still in the business of changing and using lives today!

Therefore, by the grace of God and with your help, Cassie and I continue by faith. Thank you for laboring with us.

For the sake of souls,

Scott and Cassie Caudill
