Dear Supporters and Prayer Partners

November-December 2023

I want to begin this prayer letter by thanking the Lord for an amazing 2023! And I want to thank every pastor and church for the wonderful opportunity to stand behind the pulpit and preach and tell about the call God has placed on my life to church plant in New Hampshire! I am also thankful for everyone that has sent Christmas cards, text, and for the phone calls telling me that "we are praying for you." I hope each and everyone had a great Thanksgiving and Christmas. I'm glad He came to earth to be born in a manger and live and die upon an old rugged cross to give us the gift of salvation! Now we can tell others about the free gift of salvation!

In 2023, I have traveled close to 50k miles and have been in 16 states this year, and the Lord is continuing to send in support; and praise the Lord, it's going to be a great year for 2024, Lord willing! I'm excited to see what the Lord is going to do!

In the month of December, I had a week where there was no meeting scheduled so I drove up to New Hampshire and got to see the church plant in Keene, NH. The Lord is blessing them greatly! I also had the opportunity to spend a few days in the town of Peterborough, NH, and my heart breaks for the people in New Hampshire.

In conclusion, I would like to ask everyone reading this letter to pray for my co-worker, Justin. When I'm in between meetings I still work at the warehouse in Chattanooga, and Justin is the other warehouse worker. I've talked with him about the Lord, and he's hanging onto good works to get him into Heaven. I've talked to him about it, but please pray that God will save him before it's too late, and please continue to keep praying for Sam and Jones too!

## Prayer Request

1. For Justin, Sam, and Jones for salvation
2. For more laborers in New Hampshire
3. For the Lord to continue to send in the remaining support
4. For safety on the road

In Prayer,  
Noah Gudger
