

January/February 2024

Dear Partners in Ministry,

Because you pray- One of the members of Island Baptist Church mentioned to me that she is praying for the Lord to send us some faithful men to become members of the congregation. Because of your prayers, these folks are excited about the future of Island Baptist. Keep praying! They understand that Angelia and I cannot do all that needs to be done and that the men need to be involved in the growth of the church.

What's happening right now- In January and February we are beginning to introduce more of the traditional service times and days to our schedule at Island Baptist Church. We are expanding to two services on Sundays and adding regularly scheduled classes to the agenda. The only limitation to what can be accomplished here is that the men aren't accepting the responsibility for leadership. I could try to *convince* them to participate, but **the goal is that they will do this because the Holy Spirit has helped them see their part in the future of the church.**

Please pray about this- The Muslim population here in San Pedro is growing very fast. We have been given an open door right now to present the Gospel to some who might not otherwise listen. Many of them call Angie and I "family" which is a term of respect and love in their closely guarded society. They know that I respect them but also know that I will give them a tract or speak to them about Jesus Christ being the true God. Please pray that my words to them will be used to lead to their salvation.

*Thank you for your prayers and support,
David and Angie Harper*
