Dear Co-Labourers,

Greetings to our praying and supporting partners. We trust you are excited about what God is going to do in 2024. This could be the year for the Lord to come back. We pray that there will be many souls saved this year. We just need to be found faithful.

We ask you to keep the church planters in the Northwest in your thoughts and prayers. They are having snow and very, very cold weather, many in the subzero range. But they are still trying to reach souls for Christ. I am staying in touch with them on a regular basis to be sure they are each okay.

The Ray Godfrey Family in Idaho are giving great reports of the new church plant there. Please keep them in your prayers. Also pray for those on deputation that they can get their support raised and get to the field of their calling.

As for the Hutchens, we are pressing on and looking forward to getting back out West as soon as the snow is gone and Sister Hutchens is over her shoulder surgery. She is doing great with her therapy. She has about two more weeks of stretching therapy and then about a month of strengthening therapy. I have developed a lung problem and am still having tests to determine exactly what is going on. I have to be careful about the cold air, but otherwise it is not affecting me; so I am still pressing on.

We want to thank each one that sent Christmas cards and gifts to us. They were a real blessing. We pray God will bless each of you and your church. Thank you for all you do for the Hutchens. We greatly appreciate your prayers, encouragement, and financial support. We love you all.

Because He cares,

Wesley Hutchens
