Dear Pastor and praying friends,

1 Co. 2:2, "For I determined not to know any thing among you, save Jesus Christ, and him crucified."

Well, here we are in the first two months of this new year, and it is off to a busy start.

I had to have rotator cuff surgery the 29th of November. It came about after a hard fall and dislocating my right shoulder. I am happy to be out of the sling and having a lot of good movement. There's still some pain, and I'm not able to lift much yet, but I'm getting much better.

I am very glad that I don't have to have two strong arms right now. I am still able to travel and to preach. The Word of God is still strong enough to reach out and help a needy soul, and His arm is not shortened. Such joy to be used by the Lord!

As I mentioned in our last letter, we would like to be able to make more trips to be with our missionaries in Central America. Tickets and timing seem to be the greatest need to accomplish this. The Lord is able.

We are praying for you and would be honored to come by your church and share what the Lord is doing. We desire to be an encouragement to the saints of God in any way we can. Of course, it is extra special to get to preach to lost souls along the way as we serve the Lord together.

Travel Times

I rejoice to tell you about my most recent trip to Costa Rica in January. I was blessed to be able to spend time with missionaries, Jean-Claude and Matilde Guildbaud. They were so good to me while I was there with them. It didn't take long to see the great need to carry the Gospel to the people there. What a joy to preach the Gospel there in that country!

Pray with me concerning an upcoming trip to Mexico in March. I will be taking a pastor friend, Bro. David Bentley and his wife Denise. Many of the people where we are going know them and are looking forward to seeing them again. It has been many years since they were able to be down there.

Printshop News

We have recently printed over 300,000 Gospel tracts going to Mexico. We have another missionary asking for half a million to take to Africa. Pray the Lord will provide all our needs to be able to provide these needed tracts. Paper and materials have gone up so much over the last couple of years.

We always want to thank you so very much for all you do to help us in our ministry. You make it possible for us to do what God has called us to do.
