Dear Prayer Partners,

January—February 2024

Hola de Nuevo México! It is hard to believe that this New Year is already off to a running start. It seems like it just began and already we are nearly half way through the month of February.

We are looking forward to getting our hands dirty this next year. We are busily working to get souls into the kingdom of God. Each week the members of the church come in with stories of someone they met that they've invited to church. We pray for the church to grow and for the Lord to lengthen our cords and strengthen our stakes. Each week we pass out gospel tracts and work to advance Christ's work here in Bernalillo.

Brother Sena came in this past Wednesday night to our regular prayer meeting and reported that he had the opportunity to lead a woman to the Lord in one of the area assisted living homes. She was very educated and very religious and finally came to the place in her life where she realized her lost condition and was in desperate need of the Saviour. She called on the Lord to be saved. This is indicative of what our whole county is like. The enemy has blinded their eyes and they cannot see their need of salvation. They are lost and undone, without Christ. The majority of people here are indifferent and could really care less about matters concerning eternity. They're just trying to get to their next payday. We consistently teach and preach to them their need to prepare for their meeting with the Lord. One day afterwhile, they will see the Lord face to face, but if they haven't made their preparations, it will be eternally too late.

Please help us to pray for UG. The Lord knows exactly what is needed and will take care of it in His own timing. We know this idea was birthed in the Lord's heart. We just want to be ready when He opens the door for us to implement it. Pray for open doors for it to be used of the Lord in a mighty way.

Also, next month is March and that means "March Madness" for La Iglesia Bautista Libertad (Liberty Baptist Church). During March, we ask each member to commit to witness to at least one person each day during the entire month. We are getting our tract rack filled, flyers printed, prayers prayed, money invested, tanks filled and boots laced up and ready to go. This encourages members who have never witnessed before to get out there with us and go soul-winning. This also encourages those who have been soul-winning for years to stay at it. We work in the field all year long, but make a concentrated effort during the month of March. Please pray with us for the Lord to give us souls as we go out to share the good news of the Gospel of Christ.

Thank you so much for your prayers and financial support of the ministry that the Lord has called us to do. We praise the Lord for you and your faithfulness to stand beside us as we labor for the souls of men.

Your missionaries,
