January-February 2024

Dear supporters and prayer partners

Praise the Lord for a great start for 2024! I hope everyone reading this letter had a great Christmas and New Years! Once again, thank you to every pastor and church that gave me the great opportunity in 2023 to stand behind the pulpit and tell about the call God has placed on my life to church plant in New Hampshire! The first two months of this year has been nothing short of amazing as I've watched God move in a great way! I started out with a full schedule in January and February! I was in MD, TN, NC, VA, and SC. Thank the Lord the rest of the year is going to be busy!

The Lord has greatly blessed. I'm at 43% of my needed support. Like I said, I have a busy schedule for 2024. Please pray that God would send in the remaining needed support. I will be out West for about month and a half visiting churches in SD and ID; so please pray for traveling grace and mercy!

I also request prayer for me and my director at Macedonia, Bro. James Hansard. We will be flying to New Hampshire in April to be there for the Save New England meeting held at Granite State Baptist Church in Concord, NH. The Lord has opened the door for me to go look at 3 different buildings. Please pray that God will give me wisdom and that the price to rent them isn't going to be crazy expensive. I want His will to be done more than anything. Pray that if it's not His will that He will close the door and open the right door at the right time.

Prayer Request
1. For Justin, Sam, and Jones for salvation
2. That God would send more laborers
3. For safety on the road
4. The remaining support to come in
5. And wisdom with the building situation

In Prayer,
Noah Gudger
