

Dear Fellow Laborers,

January-February 2024

Property Preparation: Since the beginning days of Pastor Muse's Vision, we can safely say we are very close to having the final permits in hand, to launch forward in the structure assembly. The building materials are on the property, and everyone is excited, counting the days until construction begins.

Lives Transformed: The question often asked by fellow-helpers is how many have been saved, baptized, and dedications since the beginning of Vision Baptist Church in March 2019. What a blessing to report that lives have been changed and the growth in attendance since the first services has been amazing. "Amazing Grace how sweet the sound that saved our soul." Since the beginning of this year, we have had first time visitors almost every Sunday. Recently, one of those ladies was gloriously saved.

Additional Renovations: With the explosion in attendance, it has become necessary to make more renovations to the Muse family property. We have added a nursery for newborns, an overflow room with TV for viewing the services, and designated parking spots for handicapped and the elderly. These are visible improvements to make all families feel welcome, safe, and comfortable as they attend each service weekly.

New Members: Worshipping together is every saint's heart throb. Presently new young couples as well as older couples are enjoying a growing church family. As a result of so much growth, a discipleship class has begun to help new believers become grounded in their belief.

Timeline for the Future: Through weekly visitation by the men on Thursday or monthly visitation by the church families, we can be confident that Vision Baptist Church will continue to grow. It will be a place where Biblical messages are preached, and everyone will receive a friendly welcome. We have plans to travel to New Hampshire with Brother Noah Gudger in April. Pray for God's will and safety as we help him navigate this new territory. As we seek God's leadership for our next move, please pray for clear direction in the days ahead. We want to be in the right location for helping our missionary team as well as be of service wherever God plants us.

We are very grateful for your faithful support and prayers on behalf of our family. We pray often for you and your ministry. May God grant the desires of our hearts as we continue to delight in Him together.

Looking Unto Jesus,
James and Cathy Hansard
