Dear Praying Friends and Supporters,

Every person has a **special task** and **specific place** that God wants to use them in and what a blessed day when you find and fulfill it. We are eternally grateful for and genuinely touched by each one of you who have made it your task and place to pray, give, and labor with the Angel family to reach souls in Colorado. What a glorious thought that God can, will, and does use us in His great work!

As our support increases, we begin to look at the details of when, where, and how God would have us to start this new church plant. The Lord has begun to open doors to supply us with literature to distribute when we hit the ground. Bibles, tracts, door hangers, discipleship courses, and church information packets are among the material God has provided. **Four new** supporting churches have joined us during January and February. Continue to pray for a burden to have churches started right here in the United States of America.

Our family has shared the gospel through song and sermon with Keith several times over the past weeks. He is at the door if he will only **BELIEVE** God and His Eternal Word. After the service, he kept saying with tears running down his face, "it cannot be that simple." He was assured "that if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." He is still trying to "work" to find favor with God. Please pray as you read this letter that God will continue to show him that only through faith can he be justified.

The children are doing their best in between meetings to finish schooling before summer so we can continue to travel together to present the burden for Colorado. We look forward to staying busy with meetings, ministry, and a **hopeful** trip to Colorado to solidify a location for starting. Pray for God's will for a place to meet (availability), a place to live (affordability), and a place to serve (adaptability). Keep reading our updates because we need your prayers and help to have God's touch in this new endeavor!!

Cultivating For Colorado,

Teddy & Crystal Angel
