## MISSIONARIES TO OHIO

February/March 2024

We are thankful for all God has done these past two months. In February we had a couples meeting/Valentine's banquet. I have been preaching on Biblical principles in dating/family the last couple of months in Sunday School. We are finding out that many have never studied or never been taught about the "Biblical family." Please pray that God's word penetrates their hearts and marriages.

During these last couple of months we have had several visitors, and through those we have had 2 saved!

Susan has had the opportunity to start working on different singing groups so we can have more frequent special music in our services. Our daughter Chloe has been taking piano for the last 4 months and she is working on a piece to play for a special. I love to see when kids get involved in the service.

On Sunday nights, I have been teaching on missions. I have been teaching what the Bible teaches on missions but I have also been teaching them about missionaries. It is a new concept to them of understanding what a missionary goes through to get the field but also what it is like starting a new ministry. My prayer is that one day, God will call people from this ministry to be missionaries.

This month we have also had Missionary Jason Reinhardt visit us. Him and his family are praying about starting a Spanish church in Ohio. They are currently praying about where that will be. We are excited about this! Please keep them in your prayers! There is such a need for more Spanish churches! Whether we agree with how the Hispanics have gotten here or not- the truth is they are here. God has allowed people from all over Mexico and South America to the United States! The mission field is now here in the United States! **THE NEED IS GREAT! PLEASE PRAY FOR MORE LABORERS!**

Please also pray for our support! We would like to be able to go and visit churches and raise some more support but this is not possible at this time. We would have no one to be in charge of the ministry. We appreciate your prayers.

#### Prayer Requests:

- Spiritual and numerical growth for the ministry
- Reinhardt family
- More Spanish churches
- Support

We thank you for all you do for us! If we can ever do anything for you please let us know. God Bless as you continue to serve Him!
