

MISSIONARIES IN ECUADOR

Encina Cáceres FAMILY

Dear Brothers in Christ,

Thank you for praying for us. We want to share with you how God blessed us and encouraged us through all that He has done during the month of March here in Ecuador

Evangelism

This past month we began to evangelize in a new sector of town with the intention of inviting people to church. Many of these people, because of the distance, and because of their young age, are unable to attend our services. To help us to resolve this problem, one of our brothers helped us obtain a bus, and we were able to bring 28 people to church. Brother Luiz and his wife are in charge of this bus ministry. One of the young men who has come on the bus is a 23 year old named Fabricio, who came with his wife and daughter. He is being discipled and making progress in his spiritual life. Please pray for Maria Dolores and Doming. Event

During Holy Week we had three special days of remembering the death and resurrection of Christ. On Sunday we had 32 visitors, who were invited by our members, to hear an evangelistic message. We had a wonderful time!

Discipleship.

This month we have several new families who are doing our discipleship program; a young man named Jostin, Fabricio's family, a young lady named Doming and a man named Jury, along with his son. Please pray for these new disciples.

Prayer Requests

- * For our trip to Chile; that everything turns out well
- * For the church and the people who are arriving by bus
- * For our members and all the help, they are providing for the church
