## Ministry

We appreciate all those who prayed for our Friends and Family Day in February. Our church reached a new high attendance of about 120 people. We had the opportunity to preach the gospel to a great number of visitors, and to see our people really work hard to make everything successful. However, we have had some of our faithful people to move away since then. Which has left some empty seats and workers to be replaced. Please pray for us to see our church people to step up and take over the jobs that have been left open.

In March we had our first annual Ladies Banquet, which functioned as sort of a one-day conference for the ladies from our church and other churches of like faith. We had an amazing response from our ladies, who ran the whole event and did an excellent job. We had around forty-five ladies in attendance; with five churches represented, from three different countries.

God has blessed us with one of the finest buildings and facilities of any church in central or western Europe. Our church is also made up of truly hard working people, who have hearts to serve. Because of this I believe God can use our church to be a blessing to others with events like this, and that is something that is really needed in our area. We will have a youth conference in September and a men's fellowship in October, we would appreciate your prayers for them.

I would also ask that you pray for our special evangelism project in April. Since I am writing this after the first Saturday of the month, I can share that we are off to a great start and have already seen one to trust Christ as Savior.

## Personal

We appreciate your prayers for Lory and the baby, we also thank you for praying for the pregnant ladies in our church, two of them have safely given birth. We can share that our baby will be named Josefina Ruth Haley, I was saving the name Joseph for our second son, but after four girls I gave up. The rest of our family are also healthy, Victoria should be walking any day now.

## Prayer

**Pray** for Sister Lory and three other mothers in our church who are pregnant.  
**Pray** for our church to grow, people to be faithful, and needed jobs to be filled.  
**Pray** for the purchase of our building, that everything will go well and smoothly.  
**Pray** for Gail, that God will use her upcoming treatments to cure her of cancer.  
**Pray** for our April evangelism project to continue to be blessed and fruitful.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,  
Bro. Junior Haley
